Dyke Augustus Spilman, 1Lt / Major (Wildwood, NJ)

Dyke Augustus Spilman, 1Lt / Major – Wildwood, New Jersey MIA – North Vietnam/Laos – September 27, 1966

Dyke Augustus Spilman was born on September 15, 1941 and called Wildwood, New Jersey his home of record before shipping out to serve his nation in Vietnam. He was a First Lieutenant in the U.S. Air Force and served as a member of the 16th Tactical Reconnaissance Squadron.

MISSION

On September 27, 1966, an RF-4C Phantom II (tail number 650862) with a crew of two took off from Tan Son Nhut Air Base, South Vietnam, on a nighttime photo reconnaissance mission to targets near the Demilitarized Zone (DMZ) between North and South Vietnam. That flight was manned by US Air Force 1Lt. Dyke A. Spilman and Maj. Joseph M. Stine.

The last radio and radar contact placed the aircraft in the vicinity of grid coordinates XC 824 917. At that time the aircraft was scheduled to descend for low-level entry into North Vietnamese airspace, and therefore the loss of radar contact was considered normal. However, a scheduled radio call to the on-site air controller was not placed. When the aircraft failed to return to base, the two crew members were declared missing in action. Other aircraft in the area received no emergency beeper signals or other transmissions following the loss of contact. The aircraft's estimated point of fuel exhaustion would have been on the border of Laos and North Vietnam, about five miles north of the DMZ. The reason for the aircraft's disappearance remains unknown.

First Lieutenant Dyke Augustus Spilman's remains were never recovered.

After the incident, the U.S. Air Force promoted 1st Lt Spilman to the rank of Major (Maj). Today, Major Spilman is memorialized on the Courts of the Missing at the National Memorial Cemetery of the Pacific.

December 2021
 Dear Brothers & Sisters,

Welcome to the up coming New Year of 2022. I hope everyone has a Safe, Healthy and Happy New Year! As most of our supporters already know, our final Washington, DC "Ride for Freedom" demonstration run took place in 2019. Rolling Thunder® National and our State Chapters are organizing Memorial Day Weekend 2022 demonstration runs across the United States in different locations. See our website (rollingthunder1.com) for information regarding these runs in the state nearest you.

This administration has little concern about the American POW/MIA Issue, our active Military or Veterans. Look at the recent devastating withdrawal of our troops from Afghanistan leaving Americans behind, billions of dollars of equipment left for the enemy and allowing a massive number of not vetted Afghans into our country. Let us not forget the 13 Military Troops that were killed because of the way the administration handled this disastrous withdrawal plan of our Troops. We were always told to not leave anything behind that the enemy could use. Well times have changed and some government representatives don't know what they are doing and don't care.

Our country is in a disaster mode, the Congress and Senate are not doing their jobs to stop what is going on. Our representatives took an oath to protect our Country and Citizens. They all seem to be out to lunch and the law is being broken every day with thousands of illegal immigrants coming over the southern border costing the American tax payers a fortune and being treated like guests with all expenses paid. Where is the help for those Americans that are homeless, many of which are Veterans? Remember a few years ago America was energy self sufficient. You can't shut down pipe lines, refineries, stop construction on two new pipe lines, and the paid for southern boarder wall without first having other options. The lights are on and no one is home! Thousands of Americans have been put out of work because of the Biden Build Back Better disaster policy.

I have never thought that our Government would destroy our Country. How far will they go so they can stay in power? They don't follow the Constitution, our elections are being tamper with, they are spending trillions of dollars we don't have. This is not just a Democrat or Republican problem both parties are to blame for our countries problems. I think it is time to get rid of both parties and just have an election. Having no party lines would work if you think about it and we could have more control and run a honest election. Remember years ago there were no paper ballots except for the disabled and no computers, we all voted on Election Day and by the next day we knew the results.

Rolling Thunder National, New Jersey will stage Rolling Thunder® XXXIV "Ride for Freedom", Sunday, May 29, 2022 Nation Wide at Hunterdon County 4-H Fair Grounds, 1207 Route 179, Lambertville, NJ 08532. See our website (rollingthunder1.com) for information. Following a planned route past historic Washington Crossing Park the participants will return to the 4-H Fair Grounds for food, music and speakers program. Weekend events are in the planning. Our Chapters Nation Wide will have events that weekend.

Everyone is welcome! Ride with us for those left behind, POWs/MIAs. Keep the tradition of this patriotic demonstration run going and join us for the "Ride for Freedom" Nationwide Sunday Memorial Day Weekend-Now in New Jersey! Also check out the closest event by you. God Bless our POWs/MIAs, our Troops serving and God Bless America.

Sincerely,

Sgt. Artie Muller
