Welcome to the New Year of 2023. I hope everyone had a Safe, Healthy and Happy New Year! As most of our supporters already know, our final Washington, DC "Ride for Freedom" demonstration run took place in 2019. Rolling Thunder® National and our State Chapters are organizing Memorial Day Weekend 2023 demonstration runs across the United States in different locations. See our website (www.rollingthunder1.com) for information regarding these runs in the state nearest you.

The current administration has not spoken about the POW/MIA issue since taking office in 2020. It seems like it never existed and has been swept under the carpet, along with many other important issues Americans are having to deal with. I can't remember when we had a President in the White House that did not care about the national security and safety of our Country, the American people, our Military and our POW/MIAs. Why do we have a Marine Veteran, Paul H. Whelan arrested in 2018 as a supposed spy being held in a Russia prison and the White House officials exchange a major terrorist for a basket ball player who broke Russian law? Where are the priorities in this Country? What is our great country coming to? Why can't the citizens of this country see what is going on within America. This is about the destruction of America within our borders.

We have had many meetings with our officials in Washington, DC and the state levels through the years to try and help our homeless Veterans problem. We were always told we don't have the funding to help homeless Veterans. Where is the money coming from to support millions of noncitizens coming into our country illegally? Think about what is going on. Free cell phones, clothes, food, lodging, medical and transportation to anywhere in the United States they want to go. This is not the America, the Veterans fought for and that many have died for. America seems to be the land of plenty, but not for the Veterans and American Citizens in need.

Rolling Thunder National, New Jersey will stage Rolling Thunder® XXXV "Ride for Freedom", Sunday, May 28, 2023 Nation Wide at Hunterdon County 4-H Fair Grounds, 1207 Route 179, Lambertville, NJ 08532. See our website (www.rollingthunder1.com) for information. Following a planned route through New Hope, PA past historic Washington Crossing Park the participants will return to the 4-H Fair Grounds for food and music. Weekend events are in the planning. Our Chapters Nation Wide will have events that weekend.

Everyone is welcome! Ride with us for those left behind as POWs/MIAs. Keep the tradition of this patriotic demonstration run going and join us for the "Ride for Freedom" Nationwide Sunday Memorial Day Weekend-Now in New Jersey! Also check out the closest event by you. God Bless our POWs/MIAs, our Troops serving and God Bless America!

Sincerely,

Sgt. Artie Muller
