POW PRISONERS-OF-WAR /MIA MISSING-IN-ACTION

More than 80,000 American Service Personnel are missing from previous conflicts and wars.

This year is the 36th Anniversary Ride and Demonstration in support of POW/MIA and Veterans' Issues. In 2024, the priority remains the same:

We seek accountability - the return of living POW's and when that is not possible – the repatriation of their remains. We further advocate the same for all MIA.

Mission Statement

The Major function of Rolling Thunder®, Inc. is to publicize the POW-MIA issue: To educate the public that many American Prisoners of War were left behind after all previous wars and to help correct the past and protect future Veterans from being left behind should they become Prisoners of War-Missing In Action. Veterans Crisis Line is here for all Veterans

Life is unpredictable and full of ups and downs that can affect your well-being. As a Veteran, you face unique and difficult challenges due to your experience in the military. If you're dealing with a crisis or thoughts of suicide, it can feel like you're carrying the weight alone.

While support may seem out of reach or difficult to find, it's only a phone call away. Regardless of your age, gender, rank, branch, tenure, discharge status or job in the military, the [Veterans Crisis Line](#) is a free and accessible resource for all Veterans.

Help is always available, day or night - Some Veterans may question if they're allowed to call the Veterans Crisis Line. One might think this resource is only meant for Veterans who served in combat, were injured through their service, were deployed overseas or are currently enrolled in VA health care and benefits. None of this is true. Spreading the word about the Veterans Crisis Line is a high priority for VA, not only because we want to save lives but also because we want all Veterans to know support is available 24/7, 365 days a year.

You can Dial 988 then Press 1 to be connected to a compassionate and trained responder ready to listen and help with any challenges you're facing. There are also chat ([VeteransCrisisLine.net/Chat](#)) and text 838255 options. Even if you don't know what you need or how to explain it, our responders are here for you. After making sure you have the resources you need, they can connect you to one of the 165 suicide prevention coordinators located across the country for continued, local support.

Take the first step to healing - Reaching out might be the last thing you want to do. You might be nervous and anxious, or you might think no one can help. Healing can be a difficult journey and it's hard to not focus on the negatives especially if you've been suffering in silence. But consider the ways that support could change your life. Since the Veterans Crisis Line launched in 2007, we have fielded more than six million contacts from Veterans and their loved ones. With one call, you'll be connected to accessible resources and people who want to help. You also decide how much information you want to share with our responders. You don't have to share any personal details like your name.

Veterans have told me they would feel more comfortable contacting the Veterans Crisis Line if they knew more about what to expect. Here's a step-by-step guide to what happens when you call the Veterans Crisis Line (Dial 988 then Press 1):

1. A recording will alert you that you've reached the Veterans Crisis Line.
2. There will be a brief pause while the call is connected to a qualified responder ready to listen and help.
3. The responder will ask a few questions, such as whether you or the Veteran or service member you're concerned about may be in immediate danger or at risk for suicide.
4. Your call is free and confidential, and you decide how much information to share.
5. If you or the Veteran or service member you're concerned about is in danger, the responder will help you get through the crisis and then connect you with the services you need, either from your local VA medical center or elsewhere in your community.
6. If you or the Veteran or service member you're concerned about is in crisis but not at imminent risk for injury or suicide, the responder will listen, offer support and help you make a plan to stay safe.
7. Afterward, you may be connected with a local suicide prevention coordinator who will contact you the next business day for continued support.

For information on what happens when you chat or text the Veterans Crisis Line, visit our [How It Works](#) page.

Be prepared in case you need support

During a crisis, every second counts. Making sure you're prepared with how to find immediate support is critical and can potentially be lifesaving.

Even if you don't need support today, [saving the Veterans Crisis Line number](#)—Dial 988 then Press 1—can give you peace of mind knowing a trusted caring responder is waiting on the other end.

Ms. Elaine Martin
POW/MIA Memorials Committee Chair
Rolling Thunder, Inc.
PO Box 216
Neshanic Station, NJ 08853

Dear Ms. Martin:

On behalf of the Veterans and staff at the DVA New Jersey Health Care System, Lyons Campus, I would like to thank you and the members of Rolling Thunder Inc., for your recent contribution.

As you are aware, the extremely generous donation of the POW/MIA chair set with the American Flag and POW Flag memorial in remembrance of the absence of the soldier who gave the Ultimate Sacrifice, held Prisoner of War, and listed as Missing in Action whose remains have not been returned was placed in Building 3, lobby area. The Veterans and the staff were very appreciative of this chair set that was donated. This will certainly remain a permanent fixture and a constant reminder of those service members who are unable to fill them because of their sacrifices and the men and women who serve our country every day. Please be assured that your donation was appreciated by all staff and Veterans.

Again, thank you and the members of Rolling Thunder Inc., for the continued allegiance to our Veterans at the DVA New Jersey Health Care System, Lyons Campus.

Sincerely,

A handwritten signature in black ink, appearing to read "Patricia O'Kane".

PATRICIA O'KANE, MSS
Executive Medical Center Director

In accordance with VHA Directive 4721, we are required to state, "The Department of Veterans Affairs did not provide you, the donor, any goods or services in consideration in whole or part of your contributions."

In Flanders fields the poppies blow

Between the crosses, row on row,

That mark our place; and in the sky

The larks, still bravely singing, fly

Scarce heard amid the guns below.

We are the Dead. Short days ago

We lived, felt dawn, saw sunset glow,

Loved and were loved, and now we lie,

In Flanders fields.

Take up our quarrel with the foe:

To you from failing hands we throw

The torch; be yours to hold it high.

If ye break faith with us who die

We shall not sleep, though poppies grow

In Flanders fields
